**The South Carolina Rabies Control Act requires that all dogs and cats have a current rabies vaccination.**

**For the majority of vaccines, the minimum age to vaccinate these pets is three (3) months of age.**

**Upon vaccination, the pet should wear the serially numbered rabies tag, provided by the veterinarian, around its neck.**

**The licensed veterinarian will also provide a certificate of vaccination.**

# Do Your Part to Prevent Rabies

### DOs

- Do have your pet vaccinated against rabies by a veterinarian.
- Do keep your pet in a pen or on a leash for its safety.
- Do report all suspicious stray and wild animals to your local public health department or animal control office.
- Do avoid all stray and wild animals. If bitten or scratched by a pet or wild animal, immediately wash any wounds with soap and water. Contact your family doctor and local public health department for further instructions.

### DON'Ts

- Don't pet, handle, feed or keep wild animals as pets.
- Don't damage the head of an animal that may have rabies. The head must be in good condition for rabies testing.
