Large Quantity Generator (LQG) –

A generator who generates the following amounts in a calendar month (as defined in R.61-79.260.10):

a. Greater than or equal to 1,000 kilograms (2200 pounds) of non-acute hazardous waste,

b. Greater than 1 kilogram (2.2 pounds) of acute hazardous waste, or

c. Greater than 100 kilograms (220 pounds) of any residue or contaminated soil, waste, or debris resulting from the cleanup of a spill, into or on any land or water of any acute hazardous waste

Listed in R.61-79.261.31 or R.61-79.261.33 (e) of this chapter.

For more information on LQGs, contact Tom Richmond (803) 898-0464.

Small Quantity Generator (SQG) –

A generator who generates the following amounts in a calendar month (as defined in R.61-79.260.10):

a. Greater than 100 kilograms (220 pounds) but less than 1,000 kilograms (2,200 pounds) of non-acute hazardous waste,

b. Less than or equal to 1 kilogram (2.2 pounds) of acute hazardous waste, or

c. Less than or equal to 100 kilograms (220 pounds) of any residue or contaminated soil, water, or other debris resulting from the cleanup of a spill into or on any land or water of any acute hazardous waste

Listed in R.61-79.261.31 or R.61-79.261.33 (e) of this chapter.

Very Small Quantity Generator (VSQG) –
A generator who generates less than or equal to 100 kilograms (220 pounds) of hazardous waste in one (1) calendar month (as defined in R.61-79.260.10).

See R.61-79.262.13 (f) for more information on VSQGs.

**Episodic Generation –**

VSQGs may also operate under streamlined requirements if they have a temporary change in their generator category as a result of an episodic event provided that certain requirements are met. VSQGs can have one episodic event per calendar year (with the ability to petition for a second episodic event), which can last 60 days. VSQGs must notify SCDHEC about the episodic event using EPA Form 8700-12.

See R.61-79.262.232 for more information regarding Episodic Generations for VSQGs.

For more information on SQGs, VSQGs, and Episodic Generation, contact **Alaina Holst** (803) 898-0482
