INTENT TO SOLE SOURCE - REVISED

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide modules for the expansion of Palmetto, the South Carolina Emergency Management Division's Common Operating Picture Platform. Requirements include, but are not limited to, creating applications for executive summary report generator; point of dispensing/medical counter measures for inventory reporting; tracking of DHEC and licensed facility services; modifying Palmetto's healthcare search widget to include facility type, NDMS participant by type, and filtering options; tracking medical needs of Emergency Medical Services patient while in transportation; tracking the capabilities of DHEC monitored facilities; mobile device support; training, maintenance and support. The total estimated dollar amount of the one-year project is $109,915.

PROTESTS:
If you are aggrieved in connection with the intended award or award of the contract, you may be entitled to protest, but only as provided in Section 11-35-4210. To protest an award, you must (i) submit notice of your intent to protest within five (5) business days of the date this notice is posted, and (ii) submit your actual protest within fifteen days of the date this notice is posted. Days are calculated as provided in Section 11-35-310(13). Both protests and notices of intent to protest must be in writing and must be received by the appropriate Chief Procurement Officer within the time provided. The grounds of the protest and the relief requested must be set forth with enough particularity to give notice of the issues to be decided. Any protest or notice of intent to protest must be addressed to the Chief Procurement Officer, Information Technology Management Office, and submitted in writing (a) by email to: protest-itmo@itmo.sc.gov or (b) by post or delivery to: 1201 Main Street, Suite 600, Columbia, SC 29201.

Qualified vendors should contact Rebecca Nichols at NICHOLRJ@dhec.sc.gov by Midnight ET, December 20, 2019 for additional information.
