RE: Remedial Investigation Work Plan Addendum
CSXT Bramlette Road Site
Greenville, South Carolina

Dear Mr. Powell:

The State Voluntary Cleanup Program has reviewed and approves the Remedial Investigation Work Plan Addendum. I will process the well permit when field activities are scheduled to begin. The Department understands that this is a robust plan and that some changes will have to be made during implementation.

If you have any questions, please contact me at (803) 898-0910 or by email at cassidga@dhec.sc.gov.

Sincerely,

A handwritten signature in black ink that reads "GREG Cassidy". The signature is written in a cursive, slightly slanted style.
