Vaccine Ordering -Weather and Holiday Guidance

Potential Delay in Vaccine Deliveries for Week of February 7, 2022

DHEC has been informed of a potential delay in deliveries from the CDC for the week of February 7. This is due to the uncertainty with potential inclement weather around the CDC's distribution center. Additional delays may occur due to weather-related delivery interruptions in other areas.

President's Day Holiday-February 21, 2022

DHEC offices will be closed for the President's Day holiday on Monday, February 21, 2022. Deadline for ordering COVID-19 vaccines in VAMS remains **NOON** on Monday, February 21, 2022, for delivery the week of February 28. For sites which would like deliveries to arrive on Monday February 21, 2022, you must indicate if your office is open on your order request placed in VAMS by February 14, 2022, at **NOON**. Otherwise, all orders will arrive beginning Tuesday February 22, 2022.
